

# 2018 STAGBI FUTURE BROODMARES' RACE

For 2018 STAGBI proposed that races would be offered to all tracks, as per previous years followed by an end of season £3500 Invitational Final for mares gaining the highest points during the season. However, unfortunately STAGBI's request to make it an all-inclusive final and to invite a mare(s) from the Mid Wales & Border Counties HRA was refused by the BHRC. This has meant that STAGBI has had to reconsider the proposed final. After due consideration to the BHRC's reply and the information received this that all activities at York have been suspended, it is with regret that STAGBI has decided not to proceed with the 2018 inaugural STAGBI Future Broodmares Final.

However, STAGBI is anxious that the STAGBI Future Broodmares Race continues to raise the stakes and to that end the **MIMIMUM 1<sup>st</sup> prize money for each race will now be £750** and each track has been offered the opportunity to host 2 races
